

TECHNICAL APPENDIX 11.2: APPRAISAL OF DESIGNATED HERITAGE ASSETS WITHIN 10KM

Kirkton Energy Park

Prepared for: Kirkton Wind Farm Ltd

SLR Ref: 428.11143.00001
Version No: 1
November 2022

BASIS OF REPORT

This document has been prepared by SLR with reasonable skill, care and diligence, and taking account of the manpower, timescales and resources devoted to it by agreement with Kirkton Wind Farm Ltd (the Client) as part or all of the services it has been appointed by the Client to carry out. It is subject to the terms and conditions of that appointment.

SLR shall not be liable for the use of or reliance on any information, advice, recommendations and opinions in this document for any purpose by any person other than the Client. Reliance may be granted to a third party only in the event that SLR and the third party have executed a reliance agreement or collateral warranty.

Information reported herein may be based on the interpretation of public domain data collected by SLR, and/or information supplied by the Client and/or its other advisors and associates. These data have been accepted in good faith as being accurate and valid.

The copyright and intellectual property in all drawings, reports, specifications, bills of quantities, calculations and other information set out in this report remain vested in SLR unless the terms of appointment state otherwise.

This document may contain information of a specialised and/or highly technical nature and the Client is advised to seek clarification on any elements which may be unclear to it.

Information, advice, recommendations and opinions in this document should only be relied upon in the context of the whole document and any documents referenced explicitly herein and should then only be used within the context of the appointment.

Table 1-1: Appraisal of Designated Heritage Assets within 10km

Designation Ref	Designation Name	Category	Distance (km)	ZVT 0-14 Turbines	Direction	Appraisal Comments
SM3304	Halladale Bridge, hut circles 670m NE of, on banks of Giligill Burn	Prehistoric domestic and defensive: hut circle, roundhouse	2.8	14	North East	Asset is included for assessment.
SM1876	Leathad Carnaich, hut circles, clearance cairns, N of Dalhalvaig School	Prehistoric domestic and defensive: hut circle, roundhouse	3	14	South East	Asset is included for assessment.
SM13622	Millburn, Strath Halladale, barrows 340m NNE of	Prehistoric ritual and funerary: saucer barrow	2.2	10	South	Asset is included for assessment.
LB7160 Category A Listed Building	Bighouse, Garden Pavilion and Walled Garden.		3.8	14	North East	Asset is included for assessment.
SM4290	Baligill Burn, limekilns	Industrial: mill, factory	5.4	0	North West	Asset is scoped out of assessment due to the asset falling out of the ZTV. Due to the asset's setting being the village of Baligill and the historical industrial landscape of the area.
SM4265	Baligill, mill	Industrial: mill, factory	5.1	0	North West	Asset is scoped out of assessment due to the asset falling out of the ZTV. Due to the asset's setting being the village of Baligill and the historical industrial landscape of the area.

SM615	Reay, burial ground, old church and cross slab 175m E of Parish Church	Crosses and carved stones: cross slab; Ecclesiastical: church	9.1km	0	Northeast	Located to the east of LB14992 within Reay, it has no visibility to the site. It sits within a walled enclosure now along the road within the west town of Reay. Hills to the west and south are still visible, but there is no visibility to the site.
SM458	Knock Stanger, cairn 730m E of Sandside House	Prehistoric ritual and funerary: cairn (type uncertain)	8.5km	0	Northeast	The cairn sits on the edge of Sandside Bay, beside where Sandside Burn flows into the bay. The setting around the monument is the coastline and views of grassland. There is no visibility to the site, therefore not included in the assessment.
SM616	Sandside House, Reay, two carved stones	Crosses and carved stones: symbol stone	7.8km	0	Northeast	This scheduled monument sits within the Sandside complex of listed buildings. With trees to the south and coast to the north, there is no visibility to the site, therefore it is not included in the assessment.
SM1839	The Borg, broch, Strath Halladale	Prehistoric domestic and defensive: broch	7km	14	South	Included in assessment.
SM13678	Armadale Burn, broch 1420m SE of Armadale House.	Prehistoric domestic and defensive: broch	7.5km	0	West	Sitting directly to the west of Armadale Burn, the broch is situated above to confluence of two burns (Armadale and an unnamed burn) looking northward

						to the coast. Due to there being no visibility to the site of its approaches it is therefore scoped out of further assessment.
LB14986 Category A	Cottage And Dairy, Byre, Kiln Barn, Sandside House		7.9km	0	Northeast	Both category A listed buildings have no visibility to the site. The setting is thick trees to the south upon the approach, preventing views south, and fields to the north. The asset utilising views of the coast. It is scoped out of further assessment due to the asset and it's approaches falling outside the ZTV.
LB14986 Category A	Implement Shed, Sandside House		7.9km	0	Northeast	
LB14988 Category A	1 Sandside, Sandside Harbour		8.7km	0	Northeast	The three category A listed buildings (Sandside Harbour, Bothy and dwelling) collectively have no visibility to the site, nor does the approach to these assets have any visibility to the site. The setting of these assets are the north coastline on which they are located. No further assessment is intended to be carried out on this asset.
LB14988 Category A	The Bothy, Sandside Harbour		8.7km	0	Northeast	
LB14988 Category A	Sandside Harbour		8.7km	0	Northeast	
LB14992 Category A	Reay Parish Church		9km	0	Northeast	Reay Parish Church is a category A listed building located upon the entrance to Reay from the west, along the road A836. The setting and understanding of the

						monument is that of the town of Reay, utilising views to the church. As the asset nor it's approaches fall within the ZTV it therefore scoped out of further assessment.
